INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees Family Promise of Irving Irving, Texas

We have audited the accompanying financial statements of Family Promise of Irving (a non-profit corporation), which comprise the statements of financial position as of December 31, 2020 and 2019, and the related statements of activities, cash flows and functional expenses for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Family Promise of Irving as of December 31, 2020 and 2019, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2020 AND 2019

NOTE 1 - ORGANIZATION AND NATURE OF ACTIVITIES

Family Promise of Irving, a nonprofit organization incorporated in the state of Texas in July 2010, is a faith-based ministry that supports families who are experiencing homelessness as they search for new jobs, undergo job training, and obtain permanent housing.

Family Promise of Irving is affiliated with the nationwide Family Promise, Inc., a New Jersey non-profit, non-denominational, volunteer-based organization that mobilizes communities to help homeless and low-income families achieve sustainable independence through the creation of local network programs.

Program services consist of activities to provide a safe environment in which families can stay together and to give the assistance they need to become self-sufficient.

Family Promise of Irving's primary source of support is contributions and grants.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board (FASB) in the FASB Accounting Standards Codification $^{\text{M}}$ and the Hierarchy of Generally Accepted Accounting Principles.

Estimates

Preparation of financial statements in conformity with generally accepted accounting principles includes the use of estimates that affect the financial statements. Accordingly, actual results could differ from those estimates.

Support and Revenue

Contributions received are recorded as support with or without donor restrictions depending on the existence and/or nature of any donor restrictions. All contributions, including long-lived assets, are considered to be available for unrestricted use unless specifically restricted by the donor.

Support that is restricted by the donor is reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in net assets with donor restrictions. When a restriction is satisfied by incurring expenses for the restricted purpose, expiration of time, or occurrence of other events specified by the donor, net assets with donor restrictions are reclassified to net assets without donor restrictions.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2020 AND 2019

Cash and Cash Equivalents

For purposes of the statement of cash flows, cash and cash equivalents includes all checking and saving accounts, and highly liquid money market mutual funds that are available for general operating purposes and not otherwise restricted.

Contributions Receivable

Contributions receivable consists of amounts sent or mailed prior to year end but received after year end, the remaining balance due from donors for events held through December 31, 2020, and other receivables. These amounts are due within one year and no allowance for uncollectible accounts is provided.

Property and Equipment

Property and equipment additions of \$1,000 or greater are capitalized at cost if purchased, or at estimated fair value at the date of gift, if donated. Depreciation is provided using the straight-line basis over the estimated useful lives of assets as follows:

Furniture and equipment Building and improvements

Net Assets

Family Promise of Irving is required to report information regarding its net assets and the changes therein according to two classes of net assets based on the existence or absence of donor-imposed restrictions:

- net assets without donor restrictions net assets that are not subject to donor (or certain grantor)
 restrictions and may be expended for any purpose in performing the primary objectives of the
 organization. Family Promise of Irving's board may designate assets without restrictions for
 specific operational purposes from time to time, and
- net assets with donor restrictions net assets subject to donor (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity.

<u>Functional Allocation of Expenses</u>

The costs of providing programs and other activities have been summarized on a functional basis in the statement of activities. None of Family Promise of Irving's costs for the years ended December 31, 2020 and 2019 are significantly attributable to more than one program or supporting function of the

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2020 AND 2019

organization. Accordingly, each cost category has been allocated to the programs and supporting services benefited.

<u>Federal Income Tax</u>

The Internal Revenue Service has determined that Family Promise of Irving is exempt from federal income tax under Section 501 (c) (3) of the Internal Revenue Code and is not classified as a private foundation within the meaning of Section 509(a). Accordingly, no provision has been made for federal income tax.

Donated Services

Donated services are recognized as contributions at the estimated fair market value at the time of receipt when there is an objective basis available to measure their value, and the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by persons with those skills, and would otherwise need to be purchased by the organization. A number of unpaid volunteers regularly make contributions of their time to Family Promise of Irving's programs, the value of which is not reflected in these statements as it is not susceptible to objective measurement or valuation or does not meet the recognition criteria under generally accepted accounting principles.

NOTE 3 – PAYMENTS TO AFFILIATED ORGANIZATION
